

## **Payment Options**

### **Option One:**

Pay in full – You may pay the balance of your treatment in full at the start of the treatment and receive a 5% discount

### **Option Two:**

Pay a deposit of £400 to start the treatment.

Approximately four weeks later when the Invisalign is fitted, we will need to take 50% of the outstanding balance. You can then pay the remainder balance over the course of the your treatment.

### **Option Three:**

Pay a deposit of £400 to start the treatment.

Then finance the balance, you can spread your payments over 12 months interest free, an interest rate of 9.9% applies for anything more, but it can work out to as little as £2.00 per day!
